Joseph A. De Julia Jr. Memorial

The Joseph A. DeJulia Jr. Memorial was started by our parents in memory of Joseph ("Skipper" my brother) who was a 1-year shy of being a golf pro when his life was ended at 24 from a hit and run in 1983. They ran the Joseph A. DeJulia Jr. Memorial golf tournament every year for 10 years to raise scholarship funds for graduating high school golf seniors in the Rockland County, NY area. We are a golf-loving family, and my parents started the memorial in the 80's to help with the grief and loss of their son. Students who show excellence in school, character & golf achievements will receive the scholarship chosen by my golf coach brother John DeJulia and the scholarship fund committee. The scholarship fund (now self-sustaining) gives a little help to those seniors heading off to college and the next stage of their life.
