YOUTH UNLIMITED EDMONTON

HELPING EDMONTON'S YOUTH TO DISCOVER THEIR UNLIMITED POTENTIAL AND TO USE THAT POTENTIAL TO POSITIVELY AFFECT THEMSELVES, THEIR PEERS, THEIR SCHOOLS, AND THEIR COMMUNITIES.

"Youth Unlimited invests in the lives of youth by providing Holistic Care, Mentoring Relationships, Safe Communities and Opportunities to Give Back. Our goal is not simply prevention, but transformation."

HOLISTIC CARE

We desire to help meet the needs that youth have, physically, emotionally, and spiritually. This all starts with relationship building. Deep, trusting relationships are at the core of everything we do.

MENTORING RELATIONSHIPS

Focusing on developing resiliency, as well as providing encouragement and support, we believe in helping youth to thrive, not just survive. Youth need to see their potential and learn how to use it to overcome difficulties.

OPPORTUNITIES TO GIVE BACK

Youth are provided with opportunities to help others, both in their own communities and in other parts of the world. We desire to introduce young people to the joy of giving and to help them realize their true potential through serving others.

SAFE COMMUNITIES

We are providing safe structured environments for youth to socialize, build self confidence, have fun, and achieve exposure to opportunities through participating in programs and activities that YUE makes available.
